RE: Early bird club from September

Dear Parents/Carers

Following on from our successful trial of the Early Bird Club we would like to extend this for the whole of the 24/25 academic year. We are aware that if numbers of children attending do not increase this will mean a financial loss for the school but we are willing to support this for a year to see if we can make it viable.

The club will continue to run from 7.45am – 8.40am. We will supply drinks for the children but not food, we are happy for them to bring a breakfast item to eat during club time. The cost of each session will be £5 per child. If we have a large response to bookings then we would look to reduce this cost if possible moving forward.

Booking and payment information will be sent out before the end of this term so please look out for further information regarding processes and deadlines for booking places.

Please do not hesitate to contact me if you have any further questions.

Yours sincerely

Justine McMinn
