PRIMARY SCHOOL

Nurture Discover Achieve

10th September 2024

Dear Parents /Carers,

On Monday 16th September, we will be supporting a [Jeans For Genes](#) to raise money for the children affected by genetic conditions. The children can wear jeans to school for the day.

EPCollier have a unique Just Giving link for you to make your donations directly
<http://www.justgiving.com/jeansforgenesday29739>

Alternatively, you can just bring a donation on the day – the charity suggests a £1 or £2 donation but anything you can contribute is great!

Although individually genetic conditions are rare, together they are detrimental to children 14 and under. Our support will fund projects that make a tangible difference to the lives of those affected.

We have chosen this charity because of the support we believe improving the quality of life for all children is important.

For further information [Jeans For Genes](#), see <https://www.jeansforgenes.org/>

Yours sincerely

Ms Barnett
Deputy Head Teacher
