

11th September 2026

Dear Parents/Carers

On **Friday 18th September**, we will be supporting Jeans for Genes to raise money for projects and services that make a real difference to the lives of children and families affected by genetic conditions. The children are invited to wear jeans to school for the day along with their school jumpers and polo tops.

EP Collier has its own JustGiving page where donations can be made directly:

Alternatively, children may bring a donation into school on the day. The charity suggests a donation of £1 or £2, but any contribution, no matter how small, will be greatly appreciated.

We have proudly supported this charity for a number of years because we believe that improving the quality of life for everyone is important.
