Let's hope that we have plenty of sunshine to enjoy some of the great put doors next week—great for physical and mental health!

We look forward to seeing you next half term!

Wagamama

Year 5 were really lucky and got to visit Wagamama where they became chefs for the morning and then had a delicious lunch! A big thank you to Wagamama Reading!

More pictures later in the newsletter!

Eco Project update

We now have our planters being stocked up thanks to the Eco committee and the UKS2 eco project! We are also hoping to see some jumping friends from our little water habitat—keep your eyes peeled!

We are also very grateful to RE3 who donated compost to us which helped to fill the ENORMOUS planters —this would have cost us a lot of money and we are helping with recycling so a win –win for us and RE3!

School meals

Please remember to order school meals before 9.30am each day—any unbooked lunches provided will be jacket potatoes. Also, please can we ask that you ensure you have sufficient balances in your ParentPay accounts to pay for meals—any unpaid debts are passed onto us to chase and then if not cleared have to come out of the school budget!

Some of our chefs!

Yummy!
